ORDER.

Both the parties were present.

Mr. H.V. Narayana Rao appeared on behalf of the appellant and Mr. G. Paramasiviah on behalf of the respondents.

On behalf of the appellant, it was represented that on the strength of the Deputy Commissioner's orddr. he has been deprived of the poojaship of the temple as well as the possession of Inam survey No. 1 of which he had been long in possession.

A perusal of the Deputy Commissioner's order dated 30th August 1923 in the file goes to show that he has not said anything about the appellants being deprived of their pooja right but has only declared the respondents to be entitled to do the duties of "Deeparadhane" (which evidently is a mistake for "Nanda-deepa")and "Alankara" in the temple and to be put in possession of survey No.1 which has been assigned as Inam for these services. It is not understood how, in the circumstances the appellants could have been in any way affected by the Deputy Commissioner's order with regard to their pooja right in the temple. The Deputy Commissioner's order should be taken as recognising the respondents' rights to perform the "Nanda-deepa" and "Alankara" services and enjoy the Inam land assigned therefor and not to confer on them any right to interfere with the pooja in the temple. To this extent, the Deputy Commissioner's order, which is based on the Inam Settlement Register as well as the Govt. Order No.(339/Mys145-07 dated 24-3-1909), was quite a proper one and Government see no reason to interfere with it.

Muz.57-24-5.

Sir,

With reference to your letter No.397/Muz.57-24-4 dated -- 11th September 1924 and subsequent reminders forwarding for report with records telegrams and memorials received from Hanumanthachar and Brahman residents of Channagiri appealing against the orders of the Deputy Commissioner, Shimoga District, directing the removal of the Brahman Pujari from the Pranadevaru temple at Muddenahalli, I have the honor to submit herewith the entire records (bearing on the subject together with the said appeal petition) received -- with the Deputy Commissioner's letter No.H.C.1239 of 16-17 dated - 19th December 1924 which gives the facts of the case and copy of which is herein enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

KSR.

Letter No.H.C.1239/Rev.16-17 dated 17/19th December 1924 from Deputy Commissioner, Shimoga District to the Muzrai Commissioner Bore. 41

"In reply to your letter No.C.170 of 24-25 dated the 23rd October 1924 forwarding for report an appeal petition (A) from one Hanumanthachar of Chennagiri relating to the temple affairs of Sri Anjaneyaswami at - Muddenahalli in Chennagiri Taluk, I have the honor to state as follows.

As is evident from the records, the question of the possession of survey No.1 endowed to the temple and that of the puja affairs therein have been pending disposal these nearly thirty years (vide Flag F.Z) The parties were repeatedly petitioning the authorities for disposing of these disputed questions. The Government therfore, passed orders in the matter in the year 1909 (vide F.J.) leaving the Deputy Commissioner to settle the question of the possession of survey No.1.

When the correspondence about the matter was going on, a petition dated 18th July 1921, from Krishnaiya and Hanumanthaiya, the samerayas of the temple, was forwarded by the Muzrai ~~Dy~~ Superintendent to this -- office for disposal (vide F.I.). When another petition (D) was received in this office, on the 9th February 1923, (vide F.H.) I took it up as a Muzrai Miscellaneous Case, heard both the parties as is evident from the order sheet (vide F.W.) and the statements of the parties recorded (vide F.X.) confined myself to the first point of para 4 of the Government order quoted above, and after a careful study of the records and hearing the Prahmins Pujari, passed orders in the matter on 30th August 1923, placing the Samerayas in possession of survey No.1, (for details vide office notes and the orders thereon: F.M.).

One more petition (J) was received on 13th October 1923 (vide F.N.) from the Samerayas of the temple to the effect that they were not put in possession of the disputed piece of land on the plea that the right of cultivation thereof was already sold, that they were not allowed to perform the duties of Nandadeepa and Alankara in the temple as per Mamool etc., Records were called for again. This duty of Nandadeepa and alankara was undoubtedly that of the Samerayas as is borne out ~~of~~ by the records and as is recognised in the Government order quoted above. Several reports of the Amildar (P) of Chennagiri from time to time, vide Flags (R.S.T.U.V.) also go to show that the Samerayas have got the -- heriditary right for Alankara and Deeparadhane, and that they were --- temporarily dispossessed of this huk as there were some misunderstandi...

misunderstandings among the Samerayas themselves report dated the 8th April 1914: F.X.), and as the decree had been obtained against the hospital assistant Chinnasami Bhim Bhatta and others, referred to in the Government order quo above had not been fully discharged. The circumstances under which the pudawat funds of Sri Udamaradi Ranganatha swami temple in the same Taluk were used for the repairs of the Sri Muddenahalli Anjaneya Swami temple have been fully explained in the Government order (F.J.) The Sub Division Officer, approving of the recommendation of the Amildar not to allow the Samarayas to perform the duties until the whole amount is paid, passed orders dated 27th July 1915 (FGL). Survey No.1 is avowedly meant for the performance of the above mentioned -- functions. It is also clear from the reports of the Amildars (vide F.3.and T) that a sort of usurpation had taken place with regard to the possession of survey No.1 by one Bheem Bhatt, a powerful casteman and ancestor of the present appellant. The decision of the possession of the survey No.1 which is specifically meant for the performance of Alankara and Nanda Deepa was ipsofacto a decision -- about the huk for the performance of the above-mentioned functions as well. One is the obvious corollary of the other. I therefore passed orders on 1st December 1923 cancelling the sale of the land, as the procedure was irregular when the matter was subjudice, and allowing the petitioner to do their duty as per mamool, (for details vide. office note and the other there-on: Flag O.)

I may mention in this connection, that steps have been taken for the recovery of the amount due from the Samerayas as can be found out by the order passed by me on 30th August 1923 (Flag M)

To proceed further, a petition was once again received on 15th April 1924 to the effect that the orders of this office were not given effect to by the Taluk Authorities (vide Flag P). I had therefore to send for the records again and pass orders on 8th July 1924 (for -- details, vide office note and the orders thereon Flag Q.)

The appellant, instead of approaching me or the Government which was the appellante authority for remedy if he felt that any ~~influstice~~ injustice had been caused to him, appears to have influenced the Dharmadarsis to protest against the orders of this office and not give effect to the same. It is also certain that the local officers made these ------

Dharmadarsis a sort of cover to plead their inability for ---- giving effect to the order. It is needless to point out that the -- action of the Dharmadarsis in assuming the role of appellate authority over the Deputy Commissioner, is to say the least, most cheeky and illegal. It was only after strict orders were issued concerning the indifference and inactivity of the local authorities and pointing out the illegality in the procedure of the Dharmadarsis that an agitation was started first by sending wires threatening the immiment danger to public peace etc., and when it was found out that this was a mere bluff and that it would not influence the authorities to waver, the present appeal has been filed before the Government.

As for the performance of these functions, by the non-brahmin Samerayas in the temple dedicated to Anjaneya Devaru, numerous instances may be quoted for instance, it is Sameraya who not only does Alankara and Deepa but also worships the idol in the Important temple of ---- Bammaghatta in the Molkalmuru Taluk. The Brahmin pujari worships Rama Devaru, accompanies the procession, and recites Raj Asheervada at the end. At Shikarpur and Kundur, Alankara and Nandadeepa are performed by the Samerayas. Such being the case, the present question is by no means, a strange one. Here, I have only attempted to reiterate the facts and brought to speedy disposal a case which was pending for several years without in the least prejudicing the "Puja Huk" of the appellant.

I may also observe, by the way, that no breach of peace, as -- apprehended in your letter No.P-C.24/24-25 dated 21st July 1924, has ever taken place and no information in the matter, has reached me --- hitherto.

The entire records, bearing on the subject, are herewith submitted for favour of perusal and return, along with the papers received from your office."

Appeal No. 3 of 1924-25

Appellant.	Vs	Respondent
Archak Hanumanthachar		Hanumantiah, Thimmiah and others.

Subject.

Appeal against the order of the Deputy Commissioner, Shimoga District dated the 30th August ~~1923~~ 1923 in the matter of the restoration of Inam Survey No. 1 of Muddanahalli village, Channagiri Taluk intended for Nanda-Deepa and Alankara service in the Sri ~~Ramanamma~~ Prana Devaru temple at the place.

~~Order No.~~ ~~dated~~

The case came on for hearing on 29th August 1925. Both the ~~par~~ parties were present, Mr. H.V. Narayana Rao having appeared on behalf of the appellant and Mr. G. Paramasivaiah on behalf of the respondents.

On behalf of the appellant, it was represented that on the strength of the Deputy Commissioner's order, he has been deprived of the pooja-ship of the temple as well as the possession of Inam Survey No. 1 of w which he had been long in possession.

A perusal of the Deputy Commissioner's order dated 30th August 1923 ~~1925~~ in the file goes to show that he has not said anything about the appellants being deprived of their pooja right but has only declared

the respondents to be entitled to do the duties of "Deeparadhane" (which evidently is a mistake for "Nanda-deepa") and "Alankara" in the temple and to be put in possession of Survey No. 1 which has been assigned as I for these services. It is not understood how, in the circumstances, th appellants could have been in any way affected by the Deputy Commissione order with regard to their pooja right in the temple. The Deputy Commissioner's order should be taken only as recognising the respondents' rights to perform the "Nanda-deepa" and "Alankara" services and enjoy the Inam land assigned therefor and not to confer on them any right to interfere with the Pooja in the temple. To this extent, the Deputy Commissioner's order, which is based on the Inam Settlement Register as wel as the Government Order No. 1339/Muz.145-07 dated the 24th March 1909, was quite a proper one, and Government see no reason to interfere with it.

Memo No. 321 dated, Bangalore, the 14th September 1925.
